 — Feeder Trail
 — Club Trail
 — Connector Trail
 — Railway and Transit Lines
 — Roads

Disclaimer: This website publication is intended as a guide only and not intended to be a navigational aid. Trail routes are compiled from data gathered from club volunteers and modifications and upgrades to this website continue at any time during the snowmobile season. Riders should consult local club, association or district trail guides for the most up to date information. The Ontario Federation of Snowmobile Clubs (OFSC) assumes no responsibility for any discrepancies, errors or omissions which may occur or for actual trail routes shown on this guide or any resulting loss or damage. As an off-road experience, snowmobiling is an inherently risky activity and all snowmobilers and their passengers willingly use trails at their own risk. Please refer to the ASSUMPTIONS FOR OFSC TRAIL USE at <http://www.ofsc.on.ca/Trails/Assumptions.asp> as prior to operating or riding a snowmobile on OFSC trails.
